Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner proposed amending independent claims 1 and 23 to make clear that there is a gradual increase in concentration of a thermobonding fibers toward a surface of a web. Counsel agreed. Examiner also inquired whether Applicant intends to claim priority to a foreign application. Counsel indicated, Applicant does and further asserted that, the parent application already claimed priority. Thus it is not necessary to positively claim priority in this application.
